

## **Nation-wide campaign on tree plantation and awareness on the eve of ICAR's Foundation Day on 16<sup>th</sup> July, 2021**

Forests are the lungs of our nation. Trees are indispensable for every life system on earth. Human and other living organisms can't live without trees. So, it is expected that every citizen of India has to plant saplings. On the eve of ICAR's Foundation Day, tree plantation drive was organized on 16<sup>th</sup> July, 2021 in the institute premise for creating awareness regarding tree plantation and its benefits among the staff of ICAR-NIVEDI. About 100 fruit and tree saplings were planted. The details are given in the Annexure-I.

The programme was conducted with enthusiasm and fervor in planting trees to commemorate the Foundation of ICAR in the open spaces of ICAR-NIVEDI. All the staff participated in the program.

The staff of ICAR-NIVEDI are privileged to have this opportunity to plant the tree in their own hand and committed to nurture them. To add serenity and tranquility in the eco-system in the ICAR-NIVEDI campus, this tree plantation drive was crucial and the staff were self-motivated as green warrior with the motto "He who plants a tree plants a new hope".
